CORRESPONDENCES.

Following the most recent Welsh Youth Parliament meeting, Cerys has been selected as one of the members to sit on the Mental Health Committee. A survey will be released by them on Thursday 14th July 2022 and Cerys asked if the forum members could keep an eye out and help share on social media for young people.

YF/28/2022

COUNTY ACTIVITIES.

The county reports were received by the following:
Carys Rees for Brecknockshire
Cerys Harts for Pembrokeshire
Mari James for Carmarthenshire

It was mentioned that Pembrokeshire Youth Forum have organised a Field Festival for the 5th of August 2022 and this was a great inspiration for other counties.

YF/29/2022

ROYAL WELSH SHOW 2022.

Ideas were discussed for our stall at the show, and it was mentioned that glitter and face painting had been a success previously. We decided that glitter would be a good idea and we discussed the cost of utensils e.g. brushes and stencils and products e.g. glitter and Vaseline. Nia Haf is happy to organise the purchases of the products. It was agreed that £2 per person was a reasonable price, especially considering the possibility of a family with 3 children. The stall will be running from 11am until 3pm to allow us enough time and a rota will be devised to cover the 4 days according to members available from each county. It was also discussed if YFC stickers will be available to give out, which would be great advertisement for the organisation. Nia mentioned that she will ask about this.

YF/30/2022

MEMBERS WELLBEING.

We discussed how exam season went and how everybody is feeling.

YF/31/2022

AGENDA ITEMS AND DATE FOR THE NEXT MEETING.

We have planned to reflect on the success of our stall at the Royal Welsh Agricultural Show and will plan a date for the next meeting via our group chat, as it will be after school/university has started, some mentioned they wouldn't be able to attend.

The AGM date to be confirmed is currently 17/9/22.

The Council meeting date to be confirmed is currently 18/9/22.
