

Wales YFC LAMB INITIATIVE

The Wales YFC Lamb Initiative is a partnership between Dunbia (Llanybydder), Sainsbury's and Wales YFC. The partnership provides the opportunity for Wales YFC members to supply their Welsh lamb to Sainsbury's stores at a premium price all year round.

The aim of the scheme is to work with a forward thinking processor and retailer to attract Wales YFC members who produce lamb to become suppliers and to keep Young Farmers at the forefront of the industry. Ultimately the initiative is about creating a sustainable supply chain to help support the future of rural Wales.

What are the benefits for suppliers?

Members of the scheme will receive a premium price for their lamb as well as a bonus payment of £1.00 per lamb for hitting the specification. Please see payment grid below for more details:
